BOARD DELAYS ACTION ON STUDENT UNION PLAN

As We See It

We Need the Union! Psychologically Speaking They Forgot

By JEAN COPLESTONE

Last night the executive council decided to postpone the Student Union house for a while. After thing over their decision, it seems that there is so much to be gained from having a union house and so little to lose. It isn't as though it would be a debt eternal hanging over the heads of future State students. With the $1000 down payment and a small amount to pay off in very easy terms, there would really be a meeting place for all student body activities.

A Co-Op store and a lunch counter in the union would pay for the upkeep of the house and probably contribute a good deal towards the principal. It is done every year in other universities and colleges. Then, how many of us would miss an extra dollar when paying our registration fees? With four thousand students, it would take less than two cents to pay for house and all the repairs.

* * *

We all hear much about the elusive thing called school spirit—wouldn't a student union be the very thing that would bring all together to work for a single purpose? In many other activities, enthusiasm can't be aroused through lack of interest but a union is something everyone can enjoy, from the sociability to the standpoint of some place to eat lunches.

* * *

As to getting co-operation toward the furnishing of the house—there are many worthy clubs that are looking for something to do to get rid of energy, and wouldn't help furnish a house be a perfect project? Please excuse us if we've bored you, but the vital question seems to be uppermost in our minds and we would like to hear what you, as members of the student body, think. If you don't approve of the boards' decision, let your representative know! You can also write—send in a petition!

* * *

In case anyone has any doubts about the soundness of the questionnaire the profs, psychologically speaking or something, Dr. Ruth Peterson was kind enough to look it over. I give some well needed advice and do your voting now!

Learned Men on Student "Grid"

Many students at State have private opinions about the learned ones who impart knowledge, but it is felt that it can be expressed—and for reason the Golden Gater is conducting a survey as to what the general conception is.

A questionnaire will be placed in each mail box this noon so that all may have a voice in the affair. The Gater mail box in the Co-Op will be for answers. No names will be used, either faculty or student, so all chance of helping the grades are absolute.

The University of South Carolina recently did such a survey and it was unanimously voted that all the professors needed a course in public speaking. The University of California has a popularity contest each year, but the size of State's faculty would make such a plan improbable, so only traits, good or bad, are mentioned in the questionnaire.

First Roberts Field Labor Day Set for May 2

Golden Gater Staff Sets Date for Voluntary Labor Holiday to Aid Project

Furthering the campaign to assure the completion of needed improvements on Roberts Field, the Golden Gater will inaugurate the voluntary labor days when it sponsors one on Saturday, May 2.

This will probably be one in the series of such voluntary days. Under present plans, the male members of the staff will contribute a full day's labor to aid in fencing the field and to help with work in connection with the seeding of the football gridiron.

N. Y. A. Workers on Job

Either to cheer the male members of the staff or to heckle them, women on the Golden Gater are making plans to invade the field on the appointed day, "just to see what's going on," as one feminine writer put it.

Work on the field has been pushed with the assistance of a crew of approximately one hundred N. Y. A. workers. Foundations for the fence are being rushed by State engineers as the crews finish the removal of brush and the burial of old concrete pillars.

Sign-up List Posted

With the lead of the Gater, campus organizations were expected to assume the responsibility for separate labor days. The movement is being spurred by the declaration of construction engineers that unless the field is fenced and in sod by the first of June, it will not be ready for fall athletic contests.

A sign-up list for those men, outside of the Gater, who wish to participate in the Gater sponsored day, will be posted in the near future. This is being done to make it possible for those who cannot find other dates suitable and are willing to help on the field.

Juniors Plan For Class Day

Mexican Theme Gets Featured Spot in Affair; Special Acts, Food Planned by Committee

In an attempt to insure a satisfactory time for everyone, members of the committee of the Junior Class, which includes Gabrielle Lonnegren and Alice Moroney, are carefully planning for the coming Junior Day, which will be held on April 24, either in the Frederic Burk auditorium or in the college cafeteria. The committee promises it will be a very lively time, with entertainment that is guaranteed to be different.

Change Plan

The committee at first decided to have a Spanish setting, but as this goes to press they have changed their minds and they will have a Mexican background which will be unique in design. All the entertainment and refreshments will help to give an impression of a Mexican city with its very colorful setting in the background.

All the refreshments will be of Mexican origin and will include such dishes as chili con carne, tamales, tortillas, etc., which should meet with the approval of those present.

One of the added features of the entertainment will be a regular bull fight; however, at the present time the committee has not chosen the matador.

Junior Prom on 25th

The semi-annual Junior Prom will have the attention of the Juniors again when they hold their dance at the War Memorial Building on April 25.

Starring Gary Evers and his orchestra, those present will be assured of a good time as Gary Evers has proven to be very popular with State students. Also this is the first time that the War Memorial Building has ever been used by the Junior Class.

Debaters Return From Extensive Tour of Country

Supreme Court Subject of Debates With Outstanding Universities and Colleges

San Francisco State's rambling debate team was home today after an extensive tour that covered the entire Middle West and far South, and included representation at the Pi Kappa Delta national convention at Houston, Texas.

The debaters, Robert Van Houte and Jack Werchick, accompanied by Kenneth M. King, their coach, used the Supreme Court controversy as the topic of their debates with most of the major institutions on their itinerary.

Featuring a forensic clash with the University of Puerto Rico, their list of debates included such schools as Universities of Nevada, Wyoming, Utah, Chicago, Illinois, Louisiana, and Missouri. Debates were also held with Rice Institute, Wiley College, Kearney State, South Dakota State, Tulane, Ouachita College, and Washington University.

Only two episodes served to mar the trip. These were the eligibility rules which prevented the team's participation in the national tournament at Houston, and the rejection of the school's application for a Pi Kappa Delta charter.

Speaker Talks On Social Order

The tenth lecture in the series being held on "The World Tomorrow" featured William B. Cherin, who developed the theme, "What Type of Social Planning Is Inevitable?"

His talk opened with an outline of the planning done by past generations as compared with that being done at the present time. The issue was treated with the changes wrought by democracy and the effect that such an economic and political set-up has on the future of the nation.

The next point discussed was the planning necessary for the regulation and stabilization of international trade and international diplomatic relations.

Realizing that there are very definite limitations on the planning possible for the United States, Cherin spoke on this next, saying that due to the size of the country, the difficulty of standardizing any type of social behavior for such a large group, and the economic set-up of this nation today, it would be well-nigh impossible to work out a code that would be practical for the citizens.

He concluded the lecture with a discussion of the relation of economic and social planning in which he tied together the various points made in the talk as the backbone of a solution as to what the future generation holds in social and economic ideas.

Sophs Hold Weenie Bake Tomorrow

With weenies and buns as the chief sustenance of the evening, the high sophs will sponsor a weenie roast to be held tomorrow night at Fleishhacker Beach. The committee, under the leadership of Mike Driscoll, has planned a gala time, with town hall in the offing. Students desiring to attend may meet in front of College Hall at 6:30 in the evening, where trucks and private cars will convey the entire crowd to the scene of the event. Fires will be already ablazing and the weenies awaiting.

This will constitute the high sophomores' third activity of the term and will be the beginning of a series of novel events to advertise the Trampodian Ball to be given Saturday, May 16.

The price of admission to the weenie roast will be twenty-five cents a head, or lower if the committee decides. There will be a haywire "orchestry" and solo numbers, besides general singing and marshmallow toasting to complete the evening.

Special Edition

Features Pictorials

* * * * * *

Summer Session

With this issue the Golden Gater presents a special supplement devoted to the Summer Session of San Francisco State College. In the supplement will be found a complete program and other information concerning courses to be given during the six-week session starting June 22. Two three-week periods are planned, with the session ending on July 31.

Of special interest will be the pictorial section of the supplement. Through the co-operation of Californians, Inc, the San Francisco Chronicle, the Golden Gate Bridge, and the Associated Oil Co., this portion of the supplement was developed.

Included in the pictorial pages are views of the construction of bridges spanning the Bay and the Golden Gate and views of the city.

This edition of the Golden Gater will be sent to schools and colleges throughout California.

Classes Hear Tax Collector

John D. Lewis Talks on "Youth in National Affairs" Under Social Science and Club Sponsorship

John D. Lewis, who, as Collector of Internal Revenue for the Treasury Department, holds the highest presidential appointment in the region, will speak to the students of this college on the topic, "Youth in National Affairs," in Frederic Burk auditorium at 1 o'clock tomorrw.

The speech is sponsored by the Social Science Department and many of the campus organizations, including Sphinx Society and Delta Sigma. Several of the 1 o'clock social science classes are combining to listen to the speaker.

Former Teacher

Lewis has been professor of political science at the University of California and a director of the Oakland School of Law. "Being a very young man himself," Erwin Bischoff, in charge of arrangements, declared, "Mr. Lewis has a direct connection with his topic. He is a very fascinating speaker, and all of the students who can possibly come should hear him."

Lewis will speak during the 1 o'clock period and end his address in time for students to go to their 2 o'clock classes.

Assist in Affair

Student organizations and officers assisting in the affair are: Edward Morgan, Associated Students; Sonia Selig, Sphinx Society; Patricio Megino, International Club; Erwin Bischoff, Delta Sigma. Faculty who have lent their support are: Mrs. Bertha Monroe, Drs. Floyd and Roy Cave, Dr. Leonard Ascher, Dr. Elias Arnesen, and Dr. Theodore Treutlein.

As the semester draws to a close, it is very important that the record of student extra-curricula activities be brought up to date. In order that this work may be completed by the sixteenth week, students are requested to submit a record of all extra-curricula work performed during the year to Harold Martin, publicity manager, Room 114.

Student House Idea Hits Another Snag

Executive Group Fails to Take Immediate Action on Proposal to Buy Nearby House at Reasonable Figure; Say Finances Low

There will be no Student House for the present because finances will not permit the purchase of the necessary property near the college grounds, the Student Executive Board decided last night at their weekly meeting. However, the plan has not been abandoned, and a committee meets this Friday noon for the purpose of making a complete cost survey.

William Smith, chairman of the committee, made a report to the board concerning the possible purchase of some property on Laguna street which he described as admirably suitable for the Union House project, and told the members that for $3,700 the entire property free from encumbrances could be obtained. The place discussed is a two-story structure with ample attic and basement space, and at present is privately owned. Smith pointed out that an option could be obtained for a small sum and the deal might be handled for an outlay of $1,000. It was shown also that the property would be a valuable investment from the financial standpoint even if the condition of the treasury was not favorable to the immediate setting up of a Student Unin.

Reasons against the move developed when possible costs of insurance, attendants' salaries and fitting out were examined. Consensus of opinion generally was that the move was not advisable at the present time. It was doubted by the members that the running expense could be handled on the present student budget. Ed Cockrum, student body treasurer, stated at this point that plans for the athletic department alone for the coming year would necessitate an increase in the fees.

Bill Buchan, a member of the committee, said that he thought a substantial revenue could be gotten from the Union House almost immediately from counters and a possible cafeteria.

Class Sponsors Doughnut Sale

Novel Sale Tomorrow Between Hours of Eleven and One to Pay Cost of Annual Photo

"Yes, bring your nickels tomorrow in order that you may buy your fresh sinkers at the low junior doughnut sale," said Edwina Cahill in an exclusive interview to the Gater reporter. "They will be on sale from 11 to 1 at College Hall and a booth outside the gymnasium."

Proceeds Go for Picture

The sale will be for the purpose of raising money in order to place a low junior picture in the Franciscan. It was decided that a doughnut sale is much easier to handle than a candy sale and is a new idea at State.

Special arrangements with Stemple's bakery has made it possible for the doughnuts to be delivered right out of the kettle. As a rule this bakery prepares all the doughnuts at night.

Free Chance on Bids

A chance for a free bid to the Junior Prom will be given with each purchase of five cents or over. The drawing will take place in the Activities Room at 2 o'clock of the same day as the sale. All those having chances are invited to attend the drawing, but it is not necessary to be present to win. The winning number will be posted on the bulletin board and the bid can be obtained by communicating with Box No. 834.

Very clever announcements of the sale have been sent to members of the faculty in form of an informal letter. The posters were designed by Blanche Tovey.

Two for Five

The doughnuts will be sold for two for five cents and no reservations as to the number that can be purchased. Assisting Jean Coplestone in arrangements for the sinker sale are Peggy Cleghorn, Marie Quatararo, Blanche Tovey, Cy Atkinson and Bill Buchan. Buchan, Marie Quatarero and Mary Carra. Blanche Tovey made the posters for the sale.

Stemple's Bakery has co-operated with those in charge of the sale and will send the doughnuts up in special containers and also will give them trays in which it will be easier to sell them.

ATTENTION

Petitions for Student Body officers will be ready Wednesday, April 15, at 10:45 in the Student Body office. Each candidate must have a petition with 50 names and there must be no duplication either on the one petition for one candidate or on the petitions of two or more candidates running for the same office.

Guild Leader Lectures Today

Under the joint sponsorship of the International Club, Oriental Club, Philosophy Club, Scribes Club, and the Sphinx Club, Redfern Mason, head of the San Francisco Newspaper Guild, will speak on "Freedom of the Press" today, at noon, in Annex B2.

Mr. Mason is a veteran in his field. Even during the early part of his career, he occupied high and very responsible positions.

State Plays Host To High Schools As Third Debate Tourney Scheduled

On Friday and Saturday of this week San Francisco State College will be host to students from nearly twenty schools in various parts of the state, when the third annual invitational high school debate tournament convenes on the campus.

This year the tournament will achieve coast-wide significance, as the winner of the local meet will debate with Dallas High School of Dallas, Oregon, the school which has won the championship of the Pacific Northwest.

Entries, which close today, have indicated a great enthusiasm for the tournament, Mr. Kenneth King, debate coach, said. Lowell High School of this city heads the list with the largest number of entries, but many teams are being sent by high schools in Santa Rosa, Modesto, Los Gatos, San Jose, Hollister, Marysville, Yuba City, and other cities.

The local tournament will include a debate division and an oratory division. Subject for the debate contest is, "Resolved, That United States Adopt Socialized Medicine." Topics for the orations are left to the choice of the competing orators.

College Theater Begins Work On "Sun Up" As Next Feature Offering

"Sun Up," the next production for College Theater, to be presented at the Community Playhouse on May 18, is one of the four dramas written by Miss Lulu Vollmer for the stage. All of the plays deal with the people of the Carolina mountains.

"Trigger," which was brought out on the screen as "Spitfire," is well-known to thousands. It will be recalled that Miss Katherine Hepburn played the leading role in the movie production. "Sun Up" brought the author into prominence in 1923, and was first produced in London in 1925.

It is a realistic story of the mountain folk, presented in a convincing manner. The play has pathos, comedy and tragedy. Widow Cagle is the main character in the play, a pipe-smoking Southerner with a rare sense of humor. Miss Ann Lindquist will play this role. Miss Vollmer has made her a living character, one of the hardest things to do in playwriting. She will probably stand out for a long time in the memory of playgoers.

Perhaps one of the most humorous scenes in the play is the wedding of Rufe and Emmie. After a few short words, the Preacher pronounces them man and wife in the law. Widow Cagle regrets very much that "two folks cain't marry without pullin' in the law."

The role of the Preacher is yet unfilled at the time the Gater went to press. It was expected it would be announced shortly.

College Theater group and Parent-Faculty Club will handle the sale of the tickets.

Let's Make the New Constitution Fair

Once upon a time State College was a college composed of women students alone. At that time there were women students who studied, who attended the social functions, and who managed the various Student Body offices. And were they successful? Yes, they were.

Today there are men who have decided that they like to run things. They like to be the "bosses." And now we hear that these same men students are trying to frame the new constitution so that only men students can run for Student Body president. What about it?

Now is the time to warn those who are responsible for the constitution that no matter how fine a president a boy may make, there may come a time when a girl of unquestionable ability and experience would be denied the opportunity of serving as president, just because she was a girl.

All this is worth considering. After taking the time to frame and adopt a new constitution, we should certainly endeavor to make it worthy of its name. And let's make it worthy. Let's make it fair. As long as we have a co-educational college, let's keep it that way by giving both the boys and the girls a chance to become president.

Then we will have rule by those who are best fitted to rule, and not by those who qualify merely because they belong to the male element of the campus.

A College Student Looks at Jingoism

"WE SHALL HAVE WAR." To many thinking people these are the words which can be extracted from the recent decision of the California Board of Regents to uphold the R. O. T. C. system of military training. To many others it may seem a long step backward from the ideals of peace. To still others it appears as the first permanent foothold gained by the exponents of Jingoism. In fact, Jingoism has come to the college.

What is Jingoism? Roughly defined it is that spirit which decrees that a country shall follow an aggressive and demonstrative foreign policy in its dealings with other nations. The word is allied to imperialism but partakes of a more vicious character. It doesn't require a deep imagination nor a precocious mind to visualize the outgrowths of Jingoism. One of the first requisites is a large standing army, the next a still larger reserve force. It is for the latter reason that institutions like the R. O. T. C. are given being.

The proponents of R. O. T. C. give many reasons for its continuance. Chief of these is the preparedness idea. The country should be prepared for war, they say, meanwhile overlooking the fact that we have not one single enemy within striking distance who could possibly trouble us.

None of the proponents of R. O. T. C. training can give one good reason why young men must take their exercise in a uniform while carrying a nine-pound rifle. They can give no reason, either, why these same young men must learn to obey implicitly the slightest command, UNLESS they are being trained for warfare. That is the real answer. Under no other conditions would such preparations be necessary. All other reasons are smoke screens made to conceal the truth. That is another characteristic of the R. O. T. C. It is unsportsmanlike in that it refuses to come out fairly in the open. It seems a great pity that the Board of Regents should have lost so great an opportunity to strike a smashing blow at American militarism and the forces that make for war.

Gater Sports

Tuesday, April 14, 1936 GOLDEN GATER Page 3

Sports Chatter

By DAVE SCHUTZ

The Gater baseball team meets its acid test today and tomorrow when it plays host to Menlo Junior College and San Jose State. Although the locals have already beaten the Spartans, they were forced to play their best baseball of the season to turn the trick.

If State can get over these two opponents without bowing in defeat, they stand an excellent chance of going through the rest of the year undefeated for the best record ever shown by a Purple and Gold nine.

About the Midgets

Have any of you State students ever heard of the State Midgets? Probably only a dozen or so will answer in the affirmative. Yet, this bunch of kids, averaging about thirteen years in age, have chosen our school as their favorite college and have named their club after us.

The organization of about twelve junior high school boys has a baseball team which plays games every so often, and when they do they usually win them. Everyone of these swell fellows is a loyal fan. If you have ever attended a State basketball game you have probably seen them there as a group rooting for the Gaters. They have a real spirit that many of our own students would do well to copy.

Will Field Be Ready?

Work started rather vigorously on Roberts field last week. Shovels and picks began to fly as student NYA workers began digging away at what will be State's athletic plant within short time now.

The question, however, is, Will it be ready for the football team this fall? Not because twenty to thirty men constantly working; but is it going to be satisfactory to such an important thing? Plenty of work to be done and some will be forced to help, but a few days will be just the thing for completion.

Track Season Near End

With this week's track meet is over there will be one more before the season closes down on another successful year in this department, with Ron Stone piling up an enviable record, the Gater cinder squad won a majority of their meets this year.

Nine Plays Twice

State's baseball team tackles two opponents in the next two days. Today they meet Menlo Junior College and tomorrow a return game with San Jose State will be played.

San Jose Beats Local Netmen By 8-1 Score

Ronnie English Wins Match for Purple's Only Victory of Day

A strong San Jose net team routed the Gater racquet wielders 8 to 1 Friday at the Palace of Fine Arts Courts, to pull a surprise victory.

The "Blond Dynamite," Ronnie English, won the only victory for State, winning his singles match over Winsor Geary, San Jose ace, 6-2, 6-2.

Spartans Strong

San Jose proved to be too strong and clever for the State netmen. Although this match was the Spartan's first match of the season, they seemed to have a great deal more co-operation and co-ordination than the Farmerites. The Gater squad is still in a "beefing" quandry, quarrelling among themselves.

The first doubles match was a splendid exhibition of tennis, featuring many fast rallies, and excellent placing of shots by both sides. English, with his slashing, slicing backhand, was the outstanding star.

The Summary

Singles—English (SF) d. Geary (SJ), 6-2, 6-2; Rotholtz (SJ) d. Arlington (SF), 3-6, 6-4, 6-4; Gruber (SJ) d. Post (SF), 3-6, 6-3, 6-4; Kibbey (SJ) d. Cahn (SF), 8-6, 8-6; Edmunds (SJ) d. Rosen (SF), 8-10, 6-3, 6-2; Cramer (SJ) d. Fuentes (SF), 6-2, 6-4.

Doubles—Rotholtz and Kibbey (SJ) d. English and Collins (SF), 6-8, 8-6, 7-5; Gruber and Cramer (SJ) d. Arlington and Fuentes (SF), 8-10, 6-4, 6-3; Edmunds and Harris (SJ) d. Post and Cahn (SF), 4-6, 6-4, 6-3.

Net Star

Ronnie English, who won the only match of the day for State last Saturday against San Jose State; this victory keeps Ronnie's record clean for the three years of competition he has encountered while at this college. English recently put up a game fight with John Murio, ranking player in the city.

Crew to Tackle Galileo Saturday, San Mateo Next

With a race scheduled for next Saturday with Galileo High School at Yacht Harbor and another slated for the following week with San Mateo Junior College, State's oarsmen finally swing into inter-school competition in a big way after nearly a month of practice which has turned them into a well-rounded crew.

The high school affair, the first ever held against another opponent, will show just how well the Gaters have taken to the sport. Although the college lads will not have had the experience or teamwork of their younger opponents, they should triumph because of superior manpower and more knowledge of things in general.

But the race April 25, against the Jaysee, will probably prove much tougher, and it would be a feather in their hats if the Purple and Gold oarsmen could take them into camp.

Chilli Stelokoff has done a swell job of coaching with the material that he has had to work with. The starting boats have not been selected as yet, every position is still wide open and everyone out for the sport has an equal chance to get into the first shell.

Daily practices are going on at Yacht Harbor, although much time was lost last week because of the holidays, but the men are all set for a week of hard preparation for the first race ever staged by San Francisco State in this newly formed sport.

Harry Post continues to be the sensation among the hopefuls. Harry, who can spend only a certain amount of time in the sport, because he is a member of the tennis squad, has shown remarkable ability and is expected to see plenty of action when State finally rolls into its inter-school competiion.

Baseball Squad Meets San Jose, Menlo in Games

Play Spartans Tomorrow, Menlo Today in Hard Contests

Holding a decision over San Jose State already, the Gater nine hopes to make it a complete sweep for the year when the two teams tangle in the second game of their two-game series tomorrow in San Francisco.

State, however, has another hurdle to get over before taking on the Spartans; today they play a strong Menlo Junior College team, also in this city.

Long Layoff

One factor may be against the locals in their two contests today and tomorrow; that is the lack of practice and competition that they have faced lately. Because the U. S. F. game was cancelled, they had no battles last week, and because of the holidays there has been no practice since last Tuesday.

This long layoff may have its good effect or it may be a boomerang to their chances, as this lack of practice may cause an increase in hitting, or it may work in reverse.

Menlo Unknown

Little is known about the Jaysee nine, its schedule as yet not having included an opponent that has played the Gaters, but from secret sources it is rumored that they have one of the best teams in the Junior College circuit.

Coach Hal Harden may change his starting combination today from that which he has been using all season. Frank Regan has had a bad finger which has bothered him for several weeks, and Harden may not take a chance on using him. If Regan does not start at short stop, Kenny Wilkes will be shifted to that position, and Floyd Walter will take over the hot corner.

Turner Improves

The work of "Spider" Turner has been pleasing of late. Against Fresno he garnered three hits in the second game, besides playing a good game at second, but Joe Lee will probably get the starting call over the little man in the games today and tomorrow.

Bob Marcus and Charlie Iago apparently have found their batting eyes. Both hit well in the south. Bob is crunching the apple at a .343 clip now to place second among the hitters. Bill Eich's steady improvement is also a feature, and the fight between Eich and Iago for the first string catching job should be closely fought from here on.

Powles to Start

Harden may start Powles today, although it is doubtful. George showed that he has the Spartans' number and may be kept out of the Menlo struggle and saved exclusively for tomorrow's fracas.

George Bogdanoff or Andy Gavron will probably get the starting berth on the slab today. Bogie leads the State hurlers in number of games won, while Gavron has the best record, having won two and lost none. However, Powles has had the starting assignment for practically all the hard games, so his record should be considered on a par or even better than the others.

Gavron deserves much credit for his fine relief pitching this year; several times he has entered a game while State was in a hole and because of his good pitching and lightning fast ball he has staved off an opponent's uprising.

Probable Lineup

Today's probable starting team against Menlo will read: Wilkes, ss; Lee, 2b; Walter, 3b; Wood, cf; Marcus, 1b; Purcell, lf; Bowers, rf; Eich or Iago, c; Bogdanoff, p. Tomorrow Bogdanoff will shift to first, Marcus will move to right field, and Powles will do the chucking.

Block "S" Results

Sid Traeger and Al Cartwright were the next glove and gong encounter, the judges awarding the decision to Traeger.

The hot spot of the evening's card showed up with the wrestling bout between Maury Schwartz and Sam Goldstein, meeting for the thirteenth time. Schwartz drop-kicked Goldstein out of the ring twice, while Goldstein in rebuttal "rested" heavily on Schwartz's neck and face. Referee Hal Harden called the bout a draw.

And the last encounter of the evening was another grunt and groan match between Ernie Delluci and Bud Decker. Delluci was just a bit too strong for Decker and broke several good holds. It ended in a draw.

STONE SCORES TWENTY-EIGHT MARKERS IN 76-55 TRIUMPH OF LOCALS OVER BIG RIVALS

Star Wins Five Firsts, Sets New Mark in High Hurdles; Hopkins Also Breaks Record; Kuder Wins

By ED SMITH

While basking in the bright California sunshine, the Purple and Gold tracksters, led by Ru Stone, defeated a strong Chico State track team 76 to 55 at Kezar Saturday.

Although held to a mere 28 points by Chico, Ru Stone had a "hot" day. The weather may have been plenty warm, but the "Finn" made the weather seem cold, in the way he burned up the track. Stone took five firsts; in the javelin, high jump, high hurdles, broad jump, and pole vault; and took a second in the discus. It was "town hall" for Runar, yessir!

Hotly Contested Races

The hot spots were many, and very hotly contested. First off the bat was the mile run, in which Stan Kuder came in an easy winner. Although trailing most of the way, Kuder showed perfect timing in overtaking Manley of Chico in the last 50 yards to breast the tape a full five yards ahead of him.

Second on the menu was the 440 yard run, which was won by Ronny Lindlow, who is wearing the State colors for the first time. Lindlow surprised everyone in defeating both Robinson and Willey of State, let alone Campbell of Chico, the favorite. Lindlow passed Campbell in the last twenty yards to finish first with a 10 foot lead to do an excellent time of 52.2 seconds.

The third hot spot was—well, that man Stone again. Although the "Finn" got off to a poor spot in the high hurdles, he bested his own record, the meet record and the school record to cross the "Finnish" line with the time of 15.2 seconds. Johnson of Chico nosed out Hopkins for third. However, what Hopkins stated when he said he would do :15.4 before the season was over has come true, for that was his time in the race.

Kuder Takes 880

The fourth thrilling race was the 880 yard run, in which Stan Kuder again ran a beautiful race to cinch the meet. Kuder again trailed until the last 50 yards, where, with perfect timing and striding, he overtook Schneider of Chico to lead him to the wire by ten yards. The fifth hot spot was the two mile run. This race proved to be a contest between "Biff" Shreve, the "Fortuna Flash," and Valedez, both of State. On the last turn it was a battle to see if Shreeve would lap Valedez, —and he did.

And last, but by NO means least, was the 220 yard low hurdles. "Madman" Hopkins, State's up and coming timber topper, won this event by the very narrow margin of a "gnat's eyebrow" over Uboldi, of Chico. Victory for "Hoppy" was almost as scarce as hen's teeth. Darryl's time of :25 was .3 of a second better than the old school record.

Coach Cox Pleased

Chico was strong—yea, on paper. But they did give Coach Cox a big scare near the end of the meet. However, the mentor was beside himself with the performance of the boys, and smiles were prevalent around his neighborhood. Yessir! The boys were out for a victory over Chico—they got it, and it was well deserved.

Javelin—Won by Stone (SF); Crabtree (C), second; Campbell (C), third. Distance, 185 feet 8¾ inches.
Discus throw—Won by Jones (SF); Stone (SF), second; Ebert (SF), third. Distance, 135 feet 6 inches.
Mile run—Won by Kuder (SF); Manley (C), second; Cartwright (SF), third. Time, 4:50.2.
100-yard dash—Won by Ullom (C); Bailey (C), second; Murphy (SF), third. Time, 10 seconds.
High Jump—Won by Stone (SF); Wilson (C), second; Sullivan (C), and Hopkins (SF), tie for third. Height, 6 feet 1 inch.
Pole vault—Won by Stone (SF); Evans (C), second; Harkness (SF), and Uboldi (C), tie for third. Height, 12 feet 6 inches.
440-yard dash—Won by Lindlow (SF); Campbell (C), second; Robinson (SF), third. Time, 52.2 seconds.
120-yard high hurdles—Won by Stone (SF); Morrison (SF), second; Johnson (C), third. Time, 15.2 seconds.
Shotput—Won by Cambell (C); Mealiffe (C), second; Jones (S), third. Distance, 44 feet ¾ inch.
Broad jump—Won by Stone (SF); Sullivan (C), second; Cambell (C), third. Distance, 21 feet 11 inches.
Two-mile run—Won by Shreeve (SF); Herman (C), second; Cota (SF), third. Time, 10:35.3.
880-yard run—Won by Kuder (SF); Schneider (C), second; Wilson (C), third. Time, 2:07.6.
220-yard dash—Won by Ullom (C); Murphy (SF), second; Bailey (C), third. Time, 22.2 seconds.
220-yard low hurdles—Won by Hopkins (SF); Uboldi (C), second; Lambrecht (C), third. Time, 25 seconds.
Mile relay—Won by San Francisco team, composed of Willey, Cox, Sullivan and Lindlow. Time, 3:41.

Newman Wins Game, Loses Title by Toss

By the mere toss of a twenty-five cent coin the Block "S" won the intramural baseball championship of the school last Wednesday.

Before the incident, the Newman Club had beaten the Blockmen 5-4 in a close, extra-inning contest to tie the series at one game each, but because the league race had already gone over its time limit, a winner had to be announced and the coin tossing method was used.

The game which tied the series was a close, interesting battle featured by the good fielding of both teams. After the Block "S" had tallied once in the first, the Newman's came back with two to take the lead, but hard hitting by "Red" Thompson and Sid Traeger was responsible for three markers made by the "S" men in the third.

A fourth inning rally by the Clubmen tied the score at 4-4, and the contest was forced into extra frames.

In the sixth, after the Block "S" had been held scoreless, the Newman's rallied to score when Louie Glavich lined a single to left with the bases loaded.

Louie Glavich, Newman third sacker, and Babe Arlington, Block "S" first baseman, looked like the two best prospects to come out of the competition.

All Intramural Baseball Team Picked by Scribes

After carefully watching all the teams of the baseball intramural league in action, the following all-intramural squad was picked by the members of this staff:

1b—John Arlington (Block "S").
2b—Jim Seright (P. E. 184)
ss—Hal Thompson (Block "S").
3b—Louie Glavich (Newman Club).
lf—"Red" Thompson (Block "S").
cf—Lee Benjamin (Builties).
c—Sid Traeger (Block "S").
p—Dick Hurst (Newman Club).

As only eight men were used during the playing of these games, only that number were picked for the all-star combination. Outstanding player was Louie Glavich, who batted better than .750 during the tourney.

Work Finally Starts On New Roberts Field

With the beginning of spring vacation last week, work finally started on Roberts Field. One one hundred men in the college working for the NYA started slinging picks and shovels, with little regard for the hot weather which caused perspiration to drip readily from their tired brows.

The first jobs to confront the workers were the large cent blocks which were formerly used to hold up the grandstands of old Recreation Park. Because these tremendous structures stuck their heads out of the ground, making planting of turf impossible, they had to be dug out and turned over so as not to bother the laying out of the track, which will run where they have been situated for so long.

Due to the large number of these bases scattered all over the field, it will probably take several months before a fence and the turf will be put in.

All the help that they can possibly get will be needed by those in charge, because of the large amount of work that must be done if the field is to be ready for football season.

Block "S" Show at Verdi Club Is Tremendous Success, Locals Star

several hard slugging midget killers, a few and a knock-down-drag-out match, the Sport Night of the Block "S" Society at Verdi Club, Wednesday proved to be a great success.

Boxers All Amateurs

The boxing talent was confined to the simon-pures, with Fred Apostoli, protest artists, acting as officials. The mob-strong men were vied in two grunt-and-groan men, Hartz and "Sad Sam" of S. F. J. C.

Also on the program were two Bruno Henry Cavero, and Eloe Ramerez, midget of the Visitacion Valley Athletic. Bruno and Ramerez were the winners by decisions, and were awarded two of the Jenkle Jewelers' ribbons.

Wilkes Gets Decision

Next came the bout between Kenny Wilkes and "Canvas Back" Delma. This bout featured plenty of hard slugging and lightning-like thrusts. Wilkes got the nod.

The following card showed an exhibition bout between Earl Booker and Jim Mace of U. S. F., Golden Gloves Champs, both displaying some very clever boxing.

The main event was next. This was a return bout between Dick Hurst and Herb Vecki. Hurst put Vecki on the canvas twice for the count of nine and got the nod by Referee Ray Actis.

AROUND the CAMPUS

ARTHUR MONSEES

The last week certainly has been dead around here; maybe it's the fine weather or even love among the "Young Hopefuls." At any rate, that good old college spirit is decidedly lacking among the once enthusiastic type of college student. Even the men have ostracized those very charming species of the weaker sex and in their place we see a number of books, which sadly leads us to the conclusion that the mid-term examinations are here again and the women are of only secondary importance now.

Commencing May 11 the men, Bud Decker, inc., will grow their longest beards, don their dirtiest cords, and have a rooty-toot-toot of a time, so we hear, during Women Haters' Week, of which is much to the disgust of the women and a vast number of the men students. The women are plainly worried, according to the editorial which appeared in the last issue of the Golden Gater, and are pleading with those few men to abandon such an unforgivable sin.

Speaking of examinations, a pamphlet entitled "Psychology of Getting Grades," which deals with an advanced type of apple polishing and how to apply it most effectively, has recently been distributed on the Palo Alto campus. The pamphlet stated that if one used a little technique on a professor matured in years, that he would be would be certain to pass the final examinations.

We hear that a number of State students have access to the pamphlet, and so, according to indications, it won't be long before they are masters of the art, too.

The schedule of classes for the coming semester has recently been published, and it looks as though everyone is making their very best effort to make their program so that they won't have to get up early to attend any classes which are scheduled at 8 a. m. Speaking of next semester reminds us that those students who entered as provisional must make a "C" average in their work this semester or they will not be able to re-enter for any work this coming semester. So you feel gloomy over being forced to attend an 8 a. m. class next semester, just remember that you are very fortunate in being able to attend at all, because there will be many who did not make their "C" average and so will not be able to come back.

Examination "B" Given On May 2

According to Mr. Frank Fenton, chairman of the English Department, the Subject B examination is to be given on Saturday, May 2, at 9 a. m. It is a general examination in literature and must be taken by all students seeking a credential in Kindergarten, Primary, or General Elementary groups. A passing grade in this examination is required before a student begins practice teaching. Reading lists for this test may be obtained at the English Department office, Mc11, either from Mr. Fenton or from the rack outside the door.

Due to the very large percentage of failures among those who took the test last year, from now on it will be given each year, and students who fail to get a passing grade will be forced to take it over until they pass.

Ain't It the Truth?

By ED SMITH

Any Sunday Morning . . . 3 o'clock . . . Boy, this bed feels good after that dance. . . . Now for some sleep . . . zzzZZZZ . . . 5:30 . . . Bang! Crash! . . . Now what the heck can that be . . . Oh, the darn paper boy, he ought to have more sense, for he certainly has a lack of it now . . . Ah, me, back to sleep . . . zzzZZZZ . . . 6 o'clock . . . Bang! Rattle! Clunk . . . Wassat? Wassat? . . . Now the milkman . . . Ya can't win . . . Hit hum, and so to sleep . . . zzzZZZZ . . . 7 o'clock . . . Eveexeeminer Chronicle Sunday morning paper. Eveexeeminer Chronicle paper . . . =S& %*&*%*&%*= . . . Now another paper boy . . . I wonder if they think this is the Grand Central Station . . . Oh, for a double-barrel shot-gun . . . I bet the Judge would acquit me too . . . Well, now I'll try to sleep . . . 8 o'clock . . . Ring! Ring! Ring! . . . Now the phone . . . Hello . . . Hell no, this ain't no grocery store . . . Oh, so YOU'RE SORRY! . . . Well, isn't that just ducky . . . Listen, you =%S&*%, don't make the same mistake twice . . . ——! You'd think I was a martyr . . . Well, I might as well try again . . . Riiiing! . . . Well, at least they didn't wait long . . . Yes, what do you want? . . . No, I'm sorry, but I don't like oranges; in fact I hate them, and if you don't get out of here pronto, there will be one less peddler . . . Well, at least I tried to sleep . . . It seems as there IS no justice.

CAMPUS NOTATIONS

Valerie Canellos Stars at Party Given by French Club

Valerie Canellos, music major student, captivated her audience by her singing and acting at the well-attended luncheon party given by "Les Camarades Fideles" last Tuesday noon, April 7, in Room 205.

Miss Canellos wrote a short adaptation of the play, "L'Abbe Constantin," with certain modifications to suit the occasion. She played the part of Bettina, an American Girl, who strangely proposed to Jean, a French army officer. Why the young woman took the initiative instead of the usual procedure was the gag. The time of their meeting was leap year.

The role of "Abbot" was performed excellently by Dick Marsh; that of "Jean" by Harold Widney.

Although the play was offered in French, neither of the participants faltered. They gave their lines smoothly and effectively.

The balance of the program was vocal and piano solos, recitation, and monologue.

Two French songs were offered by Miss Canellos. She was accompanied by Carleton Peters, State key-board player, who later presented two difficult piano selections from Rubenstein and Moskowski.

Graduate Club Holds Dinner

The regular monthly meeting and dinner of the Graduate Club will be held at the Trocadero, 460 Montgomery Street, Thursday night, April 16, at 6:30 o'clock, according to Clarence Torgersen, chairman of the graduate group. The dinner will be 50 cents a person.

Take cars 1, 2, or 3 at the Ferry Building, which go out Sutter Street. The supervisors of Frederic Burk will be guests for the evening. Your cooperation and attention will be appreciated.

Associated Women Plan for Jinx

On April 22, at 12 noon, in Annex B2, the Associated Women Students will hold a mass meeting to nominate candidates for the coming election.

The A. W. S. Council has already chosen several nominees but will call for more from the floor at the meeting. Entertainment will also be presented among which will be monologues by Betty Schutz.

On April 29 a faculty-co-ed dinner, sponsored by the A. W. S. will be held. Plans are now being perfected by the committee headed by Ruth Berg, chairman. Members of the committee are Carola Beetz, Sarah Grover, Mary Tavalera, Frances Bolander, Victoria Regier, Peggy Clifford, and Grace Whitby.

The jinx is open to all women students but since only one hundred can be accommodated, a limited number of tickets will be on sale. Members of the faculty will entertain.

Last spring's jinx was a success and leaders of the coming one are hoping to hold a much better one.

Students Invited to Political Forum

All students who are interested in the political problems of the day are invited to attend meetings of the S. S. 40x class. This class, under the supervision of Mrs. Olive Cowell, associate professor of social science, meets in Room 210 in College Hall every Tuesday afternoon at 3 o'clock. The object of this class is to give the student a critical outlook upon the destinies of his country's political future plus a good background the vital political issues of the day. This class differs from others in the fact that it is conducted on a free discussion basis. Visitors are invited to participate in the discussion.

State Professors to Pay State Income Tax

Students! Now is your time and also chance to see your professors apparently deep in serious study. But don't let this pose fool you. It's only "dat ol' debil" income tax rearing his ugly head.

It seems that for the first time a considerable fraction of the State faculty will be liable to the state tax. The average person receiving $3,000 or more is pretty certain of doing some shelling out to the state coffers. However, the instructors have one consolation and that is that they are not subject to the Federal income tax, as they are listed as employees of the State.

State Chess Team Meets San Mateo J. C. Tonight

State Chess Club team will attempt to repulse the strong Chess Club team of San Mateo Junior College tonight, at 7:30 p. m. in the Activities Room, according to Gaetano Stella, president. There will be no admission charge.

State's line-up will be as follows:
1. Gaetano Sella.
2. Jim Barrett.
3. Jim Pinkerton.
4. Wallace Macdonald.
5. Germin Paez.
6. Jack Hulbert.
7. Jim Chestnut.

Advisory Council Holds Lively Easter Party

"Jello in its six delicious flavors" was only a small item in the Advisory Council Easter party held last Friday, April 3. Talent from a recent KFRC amateur contest was presented by Elaine and Evelyn Tovey, sisters of the renowned Blanche.

Carollers Plan Radio Broadcast

The Carolers are preparing for their Spring Festival to be held on April 22 and their second radio broadcast over KFRC on Friday, April 15, at 4:15.

For the Spring Festival program Mrs. Mary McCauley, Carolers' director, has chosen songs of other lands, famous church numbers and selections from best loved operas.

Kappa Delta Pi Makes Initiation Plans

Tuesday evening, April 7, Kappa Delta Pi, honor society at San Francisco State College tried an experiment in holding meetings. Instead of the usual formal meeting in the Activities Room, it was held down town. The meeting included an excursion and a dinner.

Leaving school at 4 o'clock, the group first visited the Call-Bulletin, making a complete tour of the building. They saw the publication processes of a big daily paper from start to finish. Next they went behind the scenes of the Palace Hotel. Very little escaped their observation here. They visited the kitchen, power plant, the air purification system, the ice-making plant and all such necessaries of a modern hotel.

They inspected the President's suite, the bridal suite, and the various dining rooms.

After dinner at the Trocadero they visited the N. B. C. radio studio.

Another visit is planned for next Friday to the studios to hear the Carefree Carnival.

Dr. Brown sponsored the excursion. Due to other school activities, Kappa Delta Pi has changed the date of April 25 to Friday, May 1, for the spring initiation. All those pledges who have fulfilled the prerequisites are to be initiated or inducted into full membership.

In addition to the initiation, a dinner will be held at the Western Women's Club.

Dr. Robert G. Sproul, president of the University of California, will be the guest speaker. Other such notables as Dr. Poplin, Dr. Lee and others are expected to attend.

The dinner will be 85 cents. A large turn-out is expected since this is the main function of the club this semester. Miss Gertrude Kraus is in charge of the affair.

W.A.A. Members Send Delegates

As a climax to the semester's activities, the Women's Athletic Association plans to send two delegates and a chaperone to a national convention of women's associations, which meets in Minneapolis, Minn.

Delegates Elected

The people who are to represent this college at the convention were decided upon in an election held last Thursday. The results of the election were not announced up until time of publication, but the candidates were Dorothy Anderson, Kay Butler, Margery Prescoff, Blanche Tuggy and Marguerite Winter.

Miss Cundiff, physical education instructor, was announced as being chaperone for the trip. The representatives plan to make the trip in Miss Cundiff's automobile.

Plan Two-Week Stay

It is expected that the trip will last about two weeks. The group is leaving on April 18.

The convention, which is the goal of the States, is one at which delegates from all Women's Athletic Associations gather to discuss problems of athletic competition for women students.

Registrars Notes

1. Mathematics examination will be given on April 18, from 9 to 11 o'clock in Room 208 and Room 210. All candidates for Kindergarten-Primary, Elementary, and Junior High credentials in combinations will take this examination.
2. Penmanship test will be given on April 18 from 10 o'clock to 10:30 o'clock, in Room 117, for those whose last initials begin with A-M. The test will be given at 10:45 to 11:15 in Room 117 for those whose initials begin with N-Z. This test is required of all those who are candidates for Kindergarten-Primary, Elementary, Junior High or Prenursing credentials.
3. The English B examination will be held on May 2. Time and place will be announced later.

All high freshmen or above are expected to take these tests if they have not already done so.

Frederic Burk School Notes

Last Tuesday the Frederic Burk administration was visited by Mr. and Mrs. Zalpino, the latter holding the position of principal of the Demonstration and Training School of Santa Barbara State College. Mr. and Mrs. Zalpino were favorably impressed with the work of State's cadet teachers, and in a few cases inquired if the student teachers were not graduate teachers.

Trip to Bay Bridge

Miss Maas' department, R. B. 1, is visiting the tunnel on Yerba Buena Island today, in an excursion study of the Bay Bridge. A government launch is chartered to carry about twenty-five students to and from the island. Cadet teachers accompanying the group are: Florence Maisler, Anne Dolson, Marie Ulrich, Barbara Dorsch, and Charlotte Stewart. Plans have been arranged that the children have their lunch and picnic on the grounds. Immigration authorities refused to allow the group to eat on the launch, but permission that the children eat on army territory was granted by army authorities.

The Meanest Trick!

Vandals entered a room in Miss Billingsley's department [illegible] time after 4 p. m. last Tuesday evening and killed the goldfish. Coming in the next morning to find the [illegible] High indignation prevailed the [illegible] of the training school in [illegible] someone had committed such a [illegible] trick. A LIGHT SMOKE
OF RICH, RIPE-BODIED TOBACCO
Each Puff
Less Acid
I smoke for pleasure,
my mind's at rest
I smoke Luckies
a Light Smoke of rich,
ripe-bodied tobacco
" it's toasted "
Luckies are less acid
Recent chemical tests show* that other popular brands have an excess of acidity over Lucky Strike of from 53% to 100%.
*RESULTS VERIFIED BY INDEPENDENT CHEMICAL LABORATORIES AND RESEARCH GROUPS
Excess of Acidity of Other Popular Brands Over Lucky Strike Cigarettes
BALANCE
LUCKY STRIKE
BRAND B
BRAND C
BRAND D
Luckies — "IT'S TOASTED"
Your throat protection — against irritation — against cough
Copyright 1936, The American Tobacco Company
